ALLOCATION METHODOLOGY

In considering how funds should be allocated to each Qualifying Student, we have determined that all Qualifying Students have incurred costs and expenses associated with the COVID-19 pandemic. The amount of those costs is roughly equal to the per capita distribution of the student grant funds across each campus, based on an approximation of the number of FSA eligible students at each location. We have considered whether to require each student to prove an individualized demonstration of need prior to grant disbursement. However, we believe that the time required to conduct such an individualized assessment would be substantial and would cause a significant delay in the delivery of the grants. Given the urgent need among our students for these funds, we have prioritized expediting distribution to the students. Our goal is to prevent delays associated with assessing individual student need and instead deliver the funds to students more quickly.

DISTRIBUTION OF STUDENT GRANTS

Each qualifying student will receive a one-time stipend based on location. The following lists the amounts by location:

Higher Education Emergency Relief Fund (HEERF) Student Notice

May 15, 2020

Dear Student,

Aveda Arts & Sciences has been allocated grant funds under the Coronavirus Aid, Relief, and Economic Security (CARES) Act to provide emergency grants (“CARES Act Grants”) to students for expenses related to the disruption of campus operations due to coronavirus (including expenses under a student’s cost of attendance for food, housing, course materials, technology, health care, and child care).

[Am I eligible for a CARES Act grant?](#)

Aveda Arts & Sciences has determined that all currently enrolled students have experienced disruption and additional costs due to the COVID-19 pandemic. Federal law restricts the distribution of these funds to students who are eligible to participate in Federal Student Aid Programs. It also requires that students not be on a leave of absence as of March 13, 2020—the date that the President declared a national emergency. To qualify to receive a grant, students must: (1) be currently enrolled in a Title IV eligible educational program at Aveda Arts & Sciences or have clocked at least one hour of temporary distance education as of March 16, 2020 (the date that Aveda Arts & Sciences moved to temporary distance education); (2) be participating in or certify under penalty of perjury that they are eligible to participate in Title IV federal student aid programs; (3) not have been on a leave of absence from their program as of the date that the President issued the federal disaster proclamation on March 13, 2020; and (4) sign a verification under penalty of perjury that she/he meets these eligibility criteria and will use the funds for their intended purpose.

[How much will my grant be?](#)

The amounts of the grants have not been determined at this time. It will depend on the number of qualifying students. The U.S. Department of Education determined the funding allocation for Aveda Arts & Sciences. Aveda Arts & Sciences has determined that qualifying students will receive an equal, pro rata share of the available grant funds for each campus. Please note that the U.S. Department of Education determined the amount of each campus’ allocation. Therefore, while the amount of the grants may vary at different campuses, all eligible students at each campus will receive the same grant amount.

[What if I am currently on a Leave of Absence?](#)

You are still eligible to receive this one-time grant as long as you were not on a leave of absence as of March 13, 2020, and are currently enrolled.

[What can I use these funds for?](#)

According to the U.S. Department of Education, CARES Act Grants are to be used for expenses related to the disruption of campus operations due to coronavirus, such as food, housing, course materials, technology, health

care or childcare. Students must sign an acknowledgement that they will use the funds for their intended purpose. It is the policy of Aveda Arts & Sciences that we will not ask or accept CARES Act Grants for payment of tuitional balances or educational supplies.

How do I receive my funds?

Your Director will communicate the date of curbside Grant Pick Up. We will be practicing all social distancing safeguards and you will stop by the school to sign your acknowledgement and pick up your check.

When can I expect the grant?

We have applied for the funds in all locations and have received funding for all locations with the exception of Corpus Christi and San Antonio. You will be notified of the grant pick up date early next week.

Do I need to sign an acknowledgement?

Yes, you must sign a document acknowledging receipt of funds and that you understand that the funds are to be used for their intended purpose. You must also certify that you are either participating in Federal Student Aid programs or you must certify under penalty of perjury that you are eligible to do so. Please note that a false certification of eligibility is a federal crime.

Do I have to pay these funds back?

No. This one-time grant is funded by the CARES Act and does not have to be repaid. These funds are to be used to help with increased expenses related to the disruption of campus operations due to COVID-19, such as food, housing, course materials, technology, health care or childcare.
