All reservations will end at their scheduled time so as not to delay the next guest. We understand that certain circumstances are unavoidable and may require cancellation. Out of respect for our therapists' time, we request a 24-hour notice for any cancellation or reservation change.

We take pride in the level of skill our students demonstrate. However, in the rare event that a service does not meet your expectations we must be informed within 48 hours of the original service to be considered for a redo pending Institute approval. Please be advised we offer redos only, no refunds.

The Aveda Arts & Sciences Institute New York is happy to reserve your appointment. We request that you cancel any reservation within 24 hours that you cannot meet so that the students have an opportunity to learn with another guest.

Patch test policy: A patch test (allergy test) is required for all hair color services.
